EUROPEAN CONFERENCE AMSTERDAM 2012 12 - 14 SEPTEMBER

In organizing the European Internal Audit conference in Amsterdam we are inspired by the ambition and way of working of top level restaurants. Therefore you should only expect the best of this conference. First of all we chose the most beautiful historic locations in the heart of Amsterdam. Secondly: with the à la carte concept you can choose your own menu. By looking at how much Spanish peppers a session has, you can see how interactive a session is.
